Mr. Musgrave,

The Department reviewed both your file and the article you cited below, and it appears that there was some confusion during the processing of your records request. As a result, the Department has elected to waive the cost of the documents under these circumstances. Due to the volume of files, the documents were transferred to a disc and will be mailed to you today.

If you have any questions, please feel free to contact me at your convenience.

Sincerely,

Aimee
